

## SERAP ARBAK, Ph.D. ; Professor of Histology and Embryology-Curriculum Vitae

**Birth Date :** 04/09/1961

**Birth place :** Adana Turkey

**Current position and address :** Professor, Acibadem Univ. School of Medicine, Dept. of Histology and Embryology, Kerem Aydınlar kampüsü Kayışdağı cad İstanbul Turkey

### Education:

Notre Dame de Sion French High School	1980
Bosphorus Univ. Faculty of Science Department of Biology	1984
Istanbul Univ. Institute for Health Sciences Department of Medical Biology (Msc. Degree)	1987
Istanbul Univ. İstanbul Medical Faculty Department of Histology and Embryology (Specialist in Histology and Embryology)	1988
Istanbul Univ. Institute for Health Sciences Department of Histology and Embryology (Ph.D. Degree)	1990

### Academical Titles:

<b>Instructor</b> Marmara Univ. Medical Faculty Dept. of Histology and Embryology	1988
<b>Assist. Prof. Dr.</b> Marmara Univ. Medical Faculty Dept. of Histology and Embryology	1992
<b>Assoc. Prof. Dr.</b> Marmara Univ. Medical Faculty Dept. of Histology and Embryology	1994
<b>Prof. Dr.</b> Marmara Univ. Medical Faculty Dept. of Histology and Embryology	1999-2009
<b>Prof. Dr.</b> Acibadem Univ. Medical Faculty Dept. of Histology and Embryology	2009-

### Administrative Responsibilities:

M.U. Medical Faculty, <b>Head</b> of Depart. of Histology and Embryology	1999-2009
Acibadem U. Medical Faculty, <b>Head</b> of Depart. of Histology and Embryology	2009-
M.U. Vocational School of Health Related Professions, <b>Head</b> of Department of Pathology Laboratory	1999
M.U. Institute for Health Sciences., <b>Vice President</b>	2002-2007
Turkish Society for Electron Microscopy <b>Member of Exec. Comm.</b>	1997-2002
Turkish Society for Electron Microscopy <b>Secretary-General</b>	2002-2004
Turkish society for Electron Microscopy <b>Vice President</b>	2004-2006
Turkish Society for Electron Microscopy <b>President</b>	2006-2008
Turkish Society for Electron Microscopy <b>Secretary-General</b>	2008-2010

Turkish Society for Histology and Embryology, <b>Member of Ethical Comm.</b>	2008-2010
Turkish Society for Electron Microscopy- <b>President</b>	2010-2012
Turkish Society for Electron Microscopy- <b>Vice President</b>	2012-2014
Turkish Society for Electron Microscopy <b>Secretary-General</b>	2012-2014
European Microscopy Society , <b>Member of Exec. Comm.</b>	2008-
International Federative Societies of Histochemistry and Cytochemistry, <b>Secretary-General</b>	2008-2012
International Federative Societies of Histochemistry and Cytochemistry, <b>President</b>	2012-
European Microscopy Congress 2008, <b>Member of Int. Scientific Advisory Board</b>	2008
ICIASEM 2013, <b>Member of Int. Scientific Advisory Board</b>	2013
International Congress of Microscopy 2014, <b>Member of Int. Scientific Advisory Board</b>	2014
9th International Conference of Anticancer Research, <b>Member of Int. Scientific Advisory Board</b>	2014
International Symposium on Morphological Sciences, <b>Member of Organizing Committee</b>	2015

Dr. ARBAK's research interests include: *gastrointestinal and urogenital histopathology, immunocytochemistry, electron microscopy, cell culture, antioxidants*

Dr. Serap ARBAK is the author of **60** peer-reviewed papers in SCI, **23** peer-reviewed papers in national scientific journals; **55** oral and poster presentations in international scientific meetings including **6** invited lectures; **73** oral and poster presentations in national scientific meetings and has **778** citations . *H-index is 17.*

She has contributed in writing of chapters in 5 books. She has visited 4 academic centers as visiting professor.

Dr. Serap ARBAK is Secretary General of Turkish Society for Electron Microscopy and President of International Federation of Societies for Histochemistry and Cytochemistry. She is member of Executive Committee of European Microscopy Society.

Dr. Serap ARBAK has contributed to the organization of several national meetings such as: **Practical Course of Electronmicroscopy**, Istanbul, June, 11-13 1997; **17<sup>th</sup> National Electron Microscopy Congress (With international participation)** June,22-24 2005, TUBITAK GEBZE;**10<sup>th</sup> Stereology Course with International Participation**, Istanbul, June, 22-25 2007, **'Symposium of apoptosis (with international participation)** Istanbul, April, 9 ,2008; **Symposium of Biomaterials**, Istanbul, May, 20 2008; **19<sup>th</sup> National Electron Microscopy Congress (With international participation)** Trabzon; June, 22-25 2009; **Practical Course of Electronmicroscopy**, Eskisehir, 20-22 April 2010; **Symposium of Biomaterials**, Istanbul, December 25, 2010; **20<sup>th</sup> National Electron Microscopy Congress (With international participation)** Kemer Antalya, October, 25-29 2011; **Microscopy School**, Kemer Antalya, October, 24, 2011; **Symposium of Apoptosis** (with international participation) Istanbul, December,29, 2011, **Symposium of Diabetes** (with international participation) Istanbul May 24, 2013.

Dr. Serap ARBAK is the winner of 10 prizes related to her scientific researches. She had also contributed to 11 scientific projects.

Dr. ARBAK is **Editorial Board Member** of Acta Histochemica, IUFS Journal of Biology , Cell and Tissue Biology Research, Acibadem University Journal of Medical Sciences, Anatomy, and ad hoc editorial board member of Fertility and Sterility.
